MINISTRY REPORT

OUR VISION

A world where everyone, everywhere knows their purpose
and experiences the life God intends for them, their family,
and their community.

FROM THE PRESIDENT

*This year, because of your support, we've witnessed the
power of unity in Christ, communities strengthened,
families empowered, and lives transformed.
Thank you for being the hands and feet of Jesus.*

Ben Simms

YOUR GLOBAL IMPACT

Each dot on this map represents a region of communities touched by Lifeline's ministry and partnerships in 2024. Through meal distribution, discipleship, education, economic empowerment and more you've enabled Lifeline to come alongside local leaders to help communities identify needs and work to create solutions.

MATTHEW 25:35-36

"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me."

2024 ministry **impact**

YOU'VE GONE

beyond the meal

For communities in remote villages like Rio Frio, Guatemala, access to nutritious meals is a struggle. Years of extended dry seasons have caused food shortages across this region.

In 2024, Lifeline's Centres in the U.S. came together to pack meals and help Deybee, Lifeline's Guatemala Country Director, provide relief to the community.

Deybee and local leaders distributed the meals while sharing the gospel and praying for the villagers. Step by step, this community is being transformed through a simple meal and your prayers!

“

This food is a blessing, but your kindness is what we'll remember.

-a woman from the Rio Frio community

”

YOU HELPED

restore **dignity**

Think about what it means to be called “garbage,” not just once, but every day by your own community.

In Llano Chico, Ecuador, many women struggle to make ends meet by collecting and recycling trash.

After seeing first hand the hardships these women face, the local Lifeline staff took action. The team is now actively walking alongside these women to help restore their dignity and provide opportunities for economic growth, through counseling and business training.

In December, each woman was presented with a new uniform and hat that reads “Guardians of the Environment” - a title that reflects their true worth and honors their hard work.

“

*God has always known their worth,
and now they're finally seeing it too.*

-Claudia, Lifeline Ecuador Director

”

you helped **empower**

DAVID

Through Lifeline's Economic Empowerment program, David transformed his struggling fruit and vegetable stand in Honduras into a thriving business.

Now, his debt has been paid off and he is able to provide for his family. He even has plans to expand his business with the purchase of a motor bike.

MARIA

María received a loan through Lifeline's Economic Empowerment program. Thanks to you, her convenience store now provides financial stability for her family.

"The loan helped me stock my store, it's been a true blessing. I can now invest in my business and provide for my family in ways I couldn't before," María shares.

2024 fun **fact!**

50 individuals participated in Lifeline's Economic Empowerment training in Honduras and Ecuador.

you helped **empower**

ZOEY

Across the U.S., children and families are struggling with hunger.
10-year-old Zoey is changing that in her community!

For her birthday, Zoey invited twenty friends to Lifeline Charlotte to pack meals. Those meals now fill the food pantry at her school, bringing hope and nourishment to students in need.

KATHERINE

Katherine celebrated her 70th birthday by packing 7,000 meals for families in Guatemala struggling with hunger!

Together with her friends, family and her aerobics class she was able to bring hope to others by meeting practical needs.

2024 fun **fact!**

17,400 people came together to pack meals at Lifeline's 6 U.S. Centres: Charlotte, Columbus, Denver, Indianapolis, Lexington, and Louisville.

YOU'VE BEEN PART OF

100 million meals!

**This year an incredible milestone was reached:
100 million meals packed since 2007!**

What began as a small effort to meet an urgent need to provide meals in Haiti has grown into a global movement driven by generous meal packers and partners like you.

From remote villages in Guatemala to neighborhoods in North America and all over the world, these meals nourish families and create hope for those who need it most.

With God's guidance and your continued partnership, together we can reach even more people in the year ahead. Here's to the next 100 million meals!

*Knowing that my small act made a difference
for a family I've never met is humbling.*

-Nick, meal pack participant

YOUR IMPACT CONTINUES...

This year marks a significant milestone as Lifeline celebrates 45 years of ministry.

Over the years, the ministry's impact has expanded beyond our expectations. To date, we've reached 43 countries, packed over 100 million meals, and witnessed the transformation of thousands of lives through the hope of Jesus Christ.

In 2025, we want to keep the momentum going by...

- **Inspiring action:** Mobilizing over 113,000 people to pack meals and helping more than 650 individuals go on mission trips.
- **Ending hunger:** Packing an additional 16+ million meals to support people in crisis and provide for school students.
- **Transforming communities:** Impacting 26,498 individuals through dedicated ministry efforts.

Lifeline's goal is to help people discover their purpose in Christ. Because a changed life impacts their family, their community, and generations! Thank you for your prayers and generous support. Your continued partnership is vital to the ministry!
