- Once trip dates are confirmed, your team leader will receive a **contract** indicating contribution due dates.
- Lifeline accepts checks and all major credit cards. Applicable fees will apply to all credit card contributions.
- If donating by check, the team leader will collect all trip contributions and send **one check** to Lifeline at contribution deadline.
- **NOTE:** In order for contribution to be tax deductible, do not include team member's name on the Memo line.

Cancellation procedures:

We understand that from time to time a **team member may need to cancel their trip**. Please be advised of the following policies:

Refunding trip donations: Due to the nature of tax-deductible donations, per IRS policy, Lifeline Christian Mission (LCM) is unable to refund donations made for trip purposes.

Refunding commercial airline ticket: LCM will cancel their tickets and the person will then own said ticket voucher for future use, per airline terms. The person who cancels retains the value of their cancelled ticket in the form of the ticket voucher, not refunded cash.

Rescheduling the cancelling party's trip: LCM will honor the cancelling party's desire to return to Arizona on a future LCM trip with said ticket, with the trip participant incurring an additional cost of the change fee (up to \$250, as determined by airline), provided the cancelling party travels within one year of the **original ticketing date**. LCM will keep all funds donated for the purpose of the trip, and the traveler will not have to pay another deposit.

Under unique and unusual sets of circumstances, **Lifeline Christian Mission may need to cancel a trip**. Should this be necessary, please be advised of the following procedures:

If you plan to wait until you are in the mission field to select a child, please come prepared to make the first contribution online. After contribution is received, the child will be called to visit with the sponsor.

Are immunizations/medications required?

First-aid supplies are available for the treatment of minor cuts, abrasions, diarrhea, etc. However, if you have medication you must take regularly or over the counter medications that you prefer, be certain to bring them with you.

- Lifeline is not responsible for loss suffered due to illness, accident, theft or injury occurring at any time in relationship to your mission trip.

What will we do?

- An orientation and review of the schedules will be among your first activities after arriving on the mission field.
- Be flexible! Schedules often change on the mission field.
- **Devotions** - All team members will share a devotion of their choice for one of the daily team devotion times. On larger teams you may be paired with a teammate. Contact your team leader if you need assistance. The devotion schedule will be included in a Final Packet.
- A **Final Information Packet** will be emailed to you approximately 10-14 days prior to your departure. Included will be an activity schedule, devotion schedule, kitchen crew schedule and any last minute information, etc. If you do not have email access, check with your team leader.

Your team may participate in some of the following ministries:

- **Cooking/Meal Preparation for Team**

Everyone will take turns serving on the kitchen crew. No special preparation or skills needed. Lifeline provides a daily menu and instructions will be given in the field. The only requirement is a willing heart and everyone must take his or her turn as assigned.

- **“The Least of These” Ministry**

Mission team members, accompanied by Lifeline staff, will participate in a ministry to the homeless/street people in Winslow. There are two parts to this ministry:

- **Lunch ministry.** The team will host a meal for the street people at a facility in Winslow. Team members will prepare and serve the meal. The team should come prepared to present a devotional thought and a brief time of singing (group singing, a special number by the team, or both). Team members will have the opportunity to visit and pray with the people as they eat. Small gifts such as socks & toiletries may be given to our guests.

- **Drive and pray.** Team members, accompanied by Lifeline staff, will travel through the streets of Winslow to visit with street/homeless people at various locations – alleys, curbside, etc. At each stop the group will deliver a sack lunch (usually peanut butter and jelly sandwiches, bottled water, snacks, etc.), and clothing items such as socks. You will also have an opportunity to spend a few minutes visiting and praying with the recipients.

Suggested items you may bring for this ministry: White socks, bottled water, fruit, trail mix, granola bars, peanut butter, bread, jelly, zip lock sandwich bags, peanut butter sandwich crackers; hygiene kits: soap, toothbrush, toothpaste, wash cloths, shampoo, conditioner (hotel size work well), wet wipes, combs, lip balm, hairbrushes, paper lunch sacks, underwear (men's & women's), bibles, gloves, hats (baseball or winter), backpacks, rain ponchos, etc.

**It is not necessary to bring all items listed. Bring what you can. There will be an opportunity to purchase some of these items at a local discount department store, if desired.

- **Music**

Those with the ability to sing or play a musical instrument are encouraged to do so for church services and/or for our own work team devotion times. All musical instruments must be brought with you. The team may sing a group special at the worship service.

- **Youth Meeting**

Work teams will have an opportunity to participate in an evening youth meeting with the local teenagers (middle school/high school). This is a great opportunity to minister to and encourage the youth. The meeting lasts about 90 minutes and usually includes a lesson or devotion, games or recreation and refreshments. Come prepared with a brief Bible story or devotion and a game/recreational activity.

- **VBS/Kid Camp type program**

VBS may be held during the months that school is not in session (usually June & July). If you plan to present a program, you **must notify Lifeline in advance**. If interested, please contact Keith or Christi Dimbath at christi.dimbath@lifeline.org or keith.dimbath@lifeline.org. for more specific details.

VBS is usually held for 1 or 2 days, approximately 2.5 hours. Come prepared with **crafts, snacks** and **recreation** for the children; plan on approximately 50 – 100 children per VBS.

Crafts:

All materials needed for the craft must be brought with you (i.e. crayons, glue, paper, scissors, yarn, etc.).

Crafts should be prepared (cut out, ready to assemble, etc.) in advance of your trip. It is helpful to place them in individual zip lock type bags.

- Make samples of each craft in advance to use as a guide for the children so they understand what the finished item will look like.

Snacks:

Healthy, simple & individually packaged (for easy distribution), such as boxes of raisins, bags of pretzels, peanuts, granola bars, etc. Snack may be purchased at Walmart in Winslow.

Recreation:

Plan something simple such as playing ball, relays, parachute, etc. All sports equipment and/or supplies needed for recreation must be brought with you.

● Construction/Equipment/Repairs/Maintenance

Projects may include: construction, painting, plumbing, carpentry, repair work (appliances, vehicles, equipment, etc), landscaping/gardening, digging, etc. Tools will be available in the field unless otherwise instructed. Bring your own **work gloves** and **water bottle**. If painting projects are scheduled, teams may be asked in advance to bring paint brushes, rollers, trays, etc. as needed.

● Devotion Time with the School Children

When school is in session, your team may have an opportunity to present a devotion for the school children. You may present a Bible story, skit or object lesson.

Mission Procedures & Guidelines

Conduct should honor and glorify Christ. You will be serving as missionaries, representing Jesus Christ, Lifeline Christian Mission and your local church or organization.

- Be flexible!
- Be on time!
- **Mealtime** - receive what is served with gratitude. Do not ask for “something else.” Remember the missionary’s prayer: “Where You lead me I will follow, what they feed me I will swallow.” J Eat what you take.
- Conserve water and shower quickly. Red Sands is located in the desert & water is precious.
- No food or drink of any type (except water) in sleeping/dorm rooms.
 - There is a designated storage area for personal snacks.
- No guys in the girls dorm. No girls in the guys dorm.
- Drink lots of water to keep safely hydrated. The high desert is very dry and dehydration can occur very quickly.
- Saline spray or Vaseline is good to use in your nose, especially if you are prone to nosebleeds (due to extremely dry air).
- Do not go barefoot. Even inside wear something on feet as much as possible.
- Wear sunscreen and reapply often...even when cloudy or cool.
- Wear insect repellent during the monsoon season (July – October).
- Please apply sprays outside only.
- Snakes reside in Arizona. They can be dangerous. If you see one, don’t mess around with it. Back away and report it to a Lifeline staff member.
 - When picking up rocks, lift them facing **away** from you, there might be an unfriendly critter underneath. If possible, move rock with a stick first.
- Adults from your group **MUST** supervise children/youth at ALL times.
- No one is to go off alone at any time.
- No one is permitted to leave the mission campus unless instructed to do so by the Lifeline Coordinators.

- Personal cell phones may be used for cameras, alarms, etc. Phone calls, texts, etc. may be made during free time only, not during the scheduled work day (meal times, devotions, ministry times, etc.).
- Wifi access will not be available for team members.
- When you arrive at the Lifeline campus, an email will be sent to the contacts listed on your online application informing them of your arrival.
- Non-Christians and members of Christian faith backgrounds other than Christian Church/Church of Christ are welcome but must abide by Lifeline's policies, respect Lifeline's doctrinal position and do nothing to act contrary to or against the mission beliefs. Our primary objective is to evangelize or enhance the evangelistic work of the church/mission.

****Gift Giving:** Giving money or gifts directly to people undermines the sharing of the gospel of Christ and harms the objectives of the program. No cash gifts given to anyone.

- Lifeline reserves the right to refuse participation to those with high-risk health problems or have conducted themselves in an improper manner on a past trip. All participants must be physically and emotionally able to share in the scheduled activities.
- No pets, please.

Travel Information

If arriving by air: Lifeline Christian Mission will arrange your airline reservations.

***If any team member is planning to add a vacation or side trips to your itinerary, please contact Cathi ASAP for additional information.

 - Pack all essential items, personal medicines, and at least one or two changes of clothing in carry-on bag in case some luggage does not arrive on same flight.
- Not all airlines allow us to pre-assign seats, so you may not all sit together. Be flexible.

Cultural Tidbits (Generally speaking)

- **Pointing:** Navajo point with their mouth, not with fingers.
- **Eye contact:** You may notice that often the Navajo do not make eye contact. They are not necessarily rude or disinterested; many feel they give you a part of themselves when they make eye contact.
- **Fishy handshake:** They will offer their hand but it is usually fishy; take their hand but don't pump it.
- **More reserved:** Not a lot of loud or idle chit chat, etc.
- **Photos:** Always ask first, and respect their answer. There may be times we will ask you not to take cameras/photos. At other times, take 1 or 2 cameras and share photos later.
